CAUSE

Mr. Valdovinos disclosed a long history of marijuana use, starting at about the age of 13 and continuing until his arrest. He also disclosed, during the presentence report interview, he believes he has a problem with the use of marijuana and would benefit from on-going substance abuse counseling. In an effort to support his sobriety and choice to remain clean and sober, he has agreed that the condition modification would be appropriate to support his decision to no longer use marijuana or any other illegal substance.
